Wimbledon Common covers an area of nearly 1,000 acres. It is divided from Richmond Park and Putney Heath by the main road to Kingston. It has long been a favourite resort, the picturesque scenery and charming, undulating walks attracting thousands of visitors. From 1860 to 1889 the National Rifle Association held its annual meeting here; it was transferred to Bisley in 1890.

(FOR ADDRESS ONLY.)

Many thanks for your cards. My preference is for  
scenery, rather than views of buildings. Mountain,  
river, country scenery appeals to me most.
